## **Celebrate Halloween at ZooBoo with Spooktacular Family Fun**

*Saturdays & Sundays beginning October 13<sup>th</sup> from 10 a.m. to 3 p.m.*

**October 4, 2018** – Seneca Park Zoo Society’s annual Halloween fundraiser, ZooBoo, begins October 13 and continues every Saturday and Sunday for the remainder of the month. One of the region’s most popular fall events, ZooBoo is spooktacular fun for the whole family with activities guests of all ages will enjoy. Each ZooBoo participant will receive an adventure map that leads them to adventure stations through the newly-expanded Zoo.

ZooBoo adventurers will learn about animals in the Zoo’s care through a variety of activities, including Halloween crafts, games, and face painting - all in the unique atmosphere of the Zoo. One of last year’s most enjoyed events, costume contests will be held each day of ZooBoo at 11 a.m. and 2 p.m.

Adventurers can also enjoy Halloween-themed animal enrichment experiences, walk through the Conservation Graveyard to learn about endangered species, and meet with costumed characters.

ZooBoo tickets are in addition to Zoo admission and are only required for those participating in the adventure stations. Advance tickets can be used on any of the 2018 event dates. Tickets for Zoo members are \$6.50 in advance or \$7.50 the day of the event, while non-members pay general admission plus \$8.50 per adventurer, or \$7.50 in advance.

A portion of each ZooBoo ticket is donated to Health in Harmony, one of the Zoo’s conservation partners focusing on orangutan conservation. Since 2014, ZooBoo participants have helped the Zoo grant more than \$9,000 to international efforts to save orangutans in Borneo.

ZooBoo is held rain or shine and ticket sales are non-refundable and non-transferable. For more information or to purchase tickets, visit [senecaparkzoo.org/zooboo](http://senecaparkzoo.org/zooboo).

Internationally, and in our own backyard, Seneca Park Zoo plays a key role in species survival. Chartered as an educational institution in 1957 by New York State, the Seneca Park Zoo Society plays an integral role in supporting Monroe County, the owners and operators of the Zoo. Together, we are working to bring animals back from the brink of extinction.
