*Winter 21+ event includes music, dinner and animal experiences*

**January 29, 2020** – Seneca Park Zoo Society announces a new variation of ZooBrrrew, the winter version of its popular 21+ night time event.

ZooBrrrew, and Dinner Too will be held on February 7 and 8. Guests will enjoy an evening at the Zoo, with music, up-close experiences with ambassador animals, and food and drinks under the heated pavilion. Included in the ticket price is a full dinner, featuring Louisiana-style food like Honey Hot Chicken, Jambalaya, Corn Bread Waffles and s'mores making for dessert. Live music will be provided by Johnny Bauer on Friday and Blonde over Blue Band on Saturday. Craft beer and wine will be available for purchase. A portion of every ticket purchased will go to polar bear conservation.

*“The Zoo is magical on a winter evening,” commented Zoo Society President and CEO Pamela Reed Sanchez. “There is no better way to beat cabin fever than to enjoy the Zoo with friends over a delicious dinner, all while benefiting polar bear conservation.”*

Tickets are only available in advance and are \$40, or \$35 for Zoo members. All attendees will receive a ticket to a summer ZooBrew (a \$10 value). Everyone must be 21 or older with valid ID to attend. Tickets must be purchased in advance at [senecaparkzoo.org/zoobrrrew](http://senecaparkzoo.org/zoobrrrew).

The event begins at 5 p.m. and guests must arrive by 7 p.m. Guests can stay on Zoo grounds until 8:30 p.m.

Internationally, and in our own backyard, Seneca Park Zoo plays a key role in species survival. Chartered as an educational institution in 1957 by New York State, the Seneca Park Zoo Society

plays an integral role in supporting Monroe County, the owners and operators of the Zoo. Together, we are working to bring animals back from the brink of extinction.
