TOURNAMENT SCHEDULE

9 am	Registration
10 am	Shotgun Start
4 pm	Dinner and drinks on the patio, tournament prizes and raffle

Four-person scramble format:

Everyone will tee-off, the best shot is selected and from that point everyone will hit again. Continue to play using the best shot until you finish the hole.

Men's tee: **Blue** Ladies' tee: **Red**

Winning team will receive custom engraved growlers donated by Flour City Growlers & Genesee Beers!

Two-putt max and double-bogey max:

Teams cannot score higher than a double bogey OR take more than two putts on each hole. This will help keep the pace of play moving. Shots from the fringe or anywhere else excluding the green are not considered putts.

Mulligans may be purchased before the start of the tournament for \$5 each. There is no limit to the number that can be purchased. Each mulligan is worth one shot for one specific individual golfer, not for the entire group. Mulligans can be used for any shot at any hole.

Three-player teams: alternate one player through so he/she hits twice for that particular hole. (The same person should not hit twice on every hole. Be sure to rotate accordingly.)

You may move the ball one club length, but no closer to the hole without improving your lie. Should your best shot be in the sand or rough, you need to place the ball in the sand or rough. Should your best shot be in the water or out of bounds, follow USGA rules or please see next rule re: Double Bogey Max. Putts should be marked and played within a putter-head from that mark.
