FREE YOUTH FEBRUARY RETURNS TO SENECA PARK ZOO

Up to five youth can visit the Zoo for free with every adult ticket purchased

January 31, 2025 - Monroe County Executive **Adam Bello** announced today the return of “Free Youth February” at Seneca Park Zoo. From February 1st – 28th, every adult who purchases an admissions ticket in February, up to five youth guests (ages 4-14) can join them on their Zoo visit for free. Children ages 3 and under are always free of charge.

“Winter is one of the best seasons to visit the Seneca Park Zoo,” said Monroe County Executive Adam Bello. “I invite all Monroe County families to take advantage of Free Youth February. It’s a fun and affordable way to enjoy our beautiful zoo.”

Wintertime is a great time to experience the Zoo. Cold weather animals like the red panda, Canada lynx, polar bear, and snow leopard are very active in cold weather. Guests visiting the Zoo in February often have a less crowded and more personal experience, coming face-to-face with their favorite species. The Zoo is the perfect place to get outside with family or friends with walkable paths and places to stay warm throughout the Zoo.

“As the new Director of the Zoo, I am honored to uphold this tradition,” said Bob Lee, Director of Seneca Park Zoo. “We invite all guests to explore the winter wonders of the Zoo. We believe that experiencing the beauty of wildlife during the winter months can inspire a deeper appreciation for nature and foster a sense of connection to the natural world.”

Tickets can be purchased online at senecaparkzoo.org/tickets or at the gate. Save \$2 on tickets when you purchase online. Seneca Park Zoo is open from 10 a.m. to 4 p.m. with last entry at 3 p.m. Free youth offer only valid on the same day of purchase.

Internationally, and in our own backyard, Seneca Park Zoo plays a key role in species survival. Chartered as an educational institution in 1957 by New York State, the Seneca Park Zoo Society plays an integral role in supporting Monroe County, the owners and operators of the Zoo. Together, we are working to bring animals back from the brink of extinction.
